**Class Flex-Scheduling Policy**

NA = Not available

Flex-scheduling can be a benefit to our students and parents provided a few basic rules are followed. Failure to follow these basic rules could result in an unmanageable situation for you and our other customers.

- 1) You are responsible for ensuring that your schedule is accurate and changes are communicated in a timely manner.
- 2) There will be no make-ups for scheduled classes that are missed; however, schedule changes with advanced notices are allowed.
- 3) Victors must be notified of schedule changes 1 week in advance. Failure to do so could result in a loss of that class.
- 4) All schedule change requests must be approved by Victors Gymnastics prior to making the change.
- 5) For safety purposes Victors will not approve schedules that force enrollment in a class to exceed the maximum level.
- 6) Participation in a class that you are not scheduled to attend is prohibited.
- 7) Failure to comply with this policy could result in a loss of class time and/or additional charges.

**I have read and understand, and will comply with the flexible scheduling policy shown above.**
